Notification of the Department of Special Investigation  
on Research and Innovation Project and Budget Management

Fiscal Year B.E. 2568 (2025)

(Thailand Phishing Tank Research Project: Dataset and Techniques for Preventing Phishing-related Crime)

-----

The Department of Special Investigation was allocated funding from the Thailand Science Research and Innovation (TSRI) as a grant-in-aid to implement activities to encourage and promote research and innovation according to the Agreement with Respect to Research and Innovation Budget Approvals for Fiscal Year B.E. 2568 (2025) no. FFB680045/0070, which requires a grant beneficiary to prepare a notification on project and budget management prior to the disbursement of the grant from TSRI. The notification must specify the objectives and outcomes of each project, with the budget categorized accordingly. The notification must be publicized on the grant beneficiary's electronic media, with TSRI being informed of such publication.

The Department of Special Investigation hereby issues the Notification on the Research and Innovation Project and Budget Management for the fiscal year B.E. 2568 (2025) "Thailand Phishing Tank Research Project: Dataset and Techniques for Preventing Phishing-related Crime," with a total budget of 1,384,000 Baht (one million three hundred eighty-four thousand baht), as detailed in the attachment hereto.
